Applicants are also enclosing a copy of the partial European Search report citing the above-identified mentioned references. Said Search report was issued relative to the subject application's counterpart European application.

Applicants respectfully request that the above-mentioned references be made of record in the file of the present application. To that end, applicants submit herewith the aforementioned references and the completed Form PTO-1449, setting forth these references.

Applicants submit that the filing of this Information Disclosure Statement is prior to the issuance of a first office action on the merits. Therefore, no Declaration or fee is required to affect the filing of this Information Disclosure Statement.

Consideration of this Information Disclosure Statement is respectfully requested, since the information provided herein may be material to the patentability of the subject application as defined in 37 C.F.R. §1.56.

Respectfully submitted,

Edward W. Grolz
